Form Approved OMB No. 1218-0176

This *Injury and Illness Incident Report* is one of the first forms you must fill out when a recordable work-related injury or illness has occurred. Together with the *Log of Work-Related Injuries and Illnesses* and the accompanying *Summary*, these forms help the employer and MIOsha develop a picture of the extent and severity of work-related incidents.

Within 7 calendar days after you receive information that a recordable work-related injury or illness has occurred, you must fill out this form or an equivalent. Some state workers' compensation, insurance, or other reports may be acceptable substitutes. To be considered an equivalent form, any substitute must contain all the information asked for on this form.

According to Public Law of 1970 (P.L. 91-596) and Michigan Occupational Safety and Health Act 154, P.A. 174, Part 11, Michigan Administrative Rule for Recording and Reporting Of Injuries and Illnesses, you must keep this form on file for 5 years following the year to which it pertains. You may be fined for failure to comply.

If you need additional copies of this form, you may photocopy and use as many as you need.
